To support learning and success, we uphold our values of:

**Development:** We prioritize the development of the whole person so that everyone realizes their full potential. We educate and provide experiences for lifelong learning through engagement with staff members, programs, services, and facilities.

**Inclusivity:** Honoring the intersectionality of all people, we create inviting spaces to learn from each other and build more complex ways of being. We value and advocate for an equitable campus community.

**Well-Being:** We create campus environments that promote wellness as a foundation of a productive and positive experience. We respect each other and hold one another accountable for practices that help our community thrive.
