

## JOINT STATEMENT ON FALL 2020 ELECTIONS

To: The Florida State University Student Body  
From: The Executive, Legislative, and Judicial Branches of the Student Government Association  
Date: October 20, 2020

---

The collective branches of Student Government at Florida State University recognize the need for leadership in matters relating to the Fall 2020 election. To facilitate the initiation of election-related operation and procedures, we further recognize the need for the recently confirmed Deputy Supervisor of Elections to act in the capacity of the Supervisor of Elections, until the applicant for such position has been properly confirmed by the Student Senate. In the absence of the Supervisor of Elections, the Deputy Supervisor of Elections is permitted to operate within the scope of powers accorded to the Supervisor of Election, enumerated in Student Body Statutes § 702.1(2)(a), as Acting-Supervisor of Elections.

Further, due to the COVID-19 Pandemic, as well as many other factors that have interfered with the standard operations within the Association, the Fall 2020 election was postponed. Therefore, we, the leaders of the Student Government Association Branches, have made a joint decision to hold SGA Fall 2020 elections on **November 10, 2020**.

The Acting-Supervisor of Elections Level will release more information on matters relating to the Fall 2020 election in the upcoming days. Thank you and remember to vote at [sga.fsu.edu](http://sga.fsu.edu)!
