The Golden Tribe lecture series chair will submit a list to the Student Life and Academic Affairs committee within a week of the first Senate session of the spring semester and can upon its discretion submit one more list for approval within a week of the first first Senate session of Fall semester. Documented proof of cancellation should be submitted to the Student Life and Academic Affairs committee chair within a week of an enactment of this clause by the Lecture Committee.
 2. If a speaker reaches out to the committee wishing to speak, and is not on the approved for funding list, and is unable to be added to the list in the manner specified in Statutes due to scheduling constraints, and the committee does not have any speakers already on the approved for funding list wanting to speak or scheduled to speak, then the committee can send an emergency request to the Office of the Senate President for permission to host said speaker only once. The Senate President should consult with the Student Life and Academic Affairs Committee before making their decision. A formal writeup should be presented to the Senate by the Golden tribe committee chair outlining the details behind the enactment of this clause within a week of its enactment.
- M. The Golden Tribe Lecture Series account shall not be swept at the end of the fiscal year.
- N. No part of these statutes should be construed as meaning that a speaker who is not listed on The Golden Tribe Lecture Series Fundable Speakers List is unable to speak at Florida State. These statutes only make it so that in order for SGA funding allocated to the Golden Tribe Lecture series to be used, the speaker must be approved by the Senate through the processes listed in this chapter. These statutes in no way bar RSO's or any other organizations from using their own funding to host a speaker. O. The SGA Senate through the

passage of a resolution may remove speakers from the Golden Tribe Lecture Series Approved Speakers List.

P. All individual(s), lecture(s), or event(s) that are being actively organized, promoted, or funded as of 2/28/2018 will be considered approved speakers.
