- Resolution 12 Sponsored by Speaker Williams: Regarding the Florida State University’s Presidential Search
  Speaker Williams voices her concerns with the presidential search. Williams believes that holding the search during the summer, does not allow all students and faculty to be involved. This decision should be carefully thought out, should be done when all the students and faculty are present, not during the summer when most students and faculty are gone. The resolution also includes the belief that the presidential search doesn’t accurately reflect the students and faculty of the university. FIRST PRO: Syme agrees with the resolution. He believes that out of 8,000 graduate students and only one on the presidential search committee, isn’t a full representation of FSU’s graduate students. Syme moves to accept the resolution. Gaboardi second. Resolution passes 4-0-0.
