Purpose of funds: Tailgating on the Green: FSU vs. Duquesne

We all know how much stress and pressure law school puts on a person every week. So, why not alleviate that stress with some chill vibes and happy times. Tailgating on the Green will provide the law school with a much-needed break from all the hustle and bustle that goes into the grind each day. With a cold beverage in hand and some delicious food on deck, sharing stories with some of your closest pals, nothing could be better. We will have games, prizes, and a bunch of fun for all to relax, revive, and release any built-up tension.

Notes: Vivekka Suppiah appeared representing the request. Mentioned how tailgate and yard games are a one time purchase. Suggest that SBA keep the games in their closet for future use.

Taco Bar Bundle

Purpose of funds: FSU Law Community Townhall

SBA has coordinated with the Dean of Florida State University College of Law, Dean O’Hara O’Connor, with hopes to provide an event where all students to can hear about announcements, updates, concerns, and items worth celebrating at the law school. In the past few years this event was forced to be via Zoom given the Covid-19, but given faculty and staff are making efforts to return to in-person learning we are able to have the first in-person Community meeting since 2020. The event will proceed with students arriving a little before 5:00pm, and from there have the chance to grab food and refreshments to enjoy while the meeting is taking place. The meeting will start with updates and announcements that Dean O’Hara O’Connor has for the student body, then transition into a question and answer portion for any students who would like to participate. For one, this will be an extremely informative event and secondly, this will allow all students a chance to come together and allow their concerns to be heard.

The main goal is to improve the overall quality of life for all students attending Florida State University College of Law. SBA offers the perfect opportunity to become involved in an organization that is constantly working to make the experience at FSU more enjoyable, rewarding, and fun. SBA offers countless opportunities to become engaged and enjoy extracurricular activities while benefiting FSU Law and the Tallahassee community. In order to uphold these ideals, it is required to have a full board willing to do the work. Every fall additions to the SBA board are made by the election of a 1L representative from each section of the 1L class and a transfer student

Are you a first generation, non-traditional, or diverse law student? Or perhaps just a law student looking for meaningful guidance? Your upperclassmen peers are here to help! Instead of re-inventing the wheel, learn best practices from the 2Ls and 3Ls who have been there and done that. The Student Bar Association has selected several student leaders who are ready to share their candid insights with you via panel discussion. The first panel of the year will feature advice on outlining, study aids, cold calls, and more! Chik-fil-A will be served! How will you advertise the event?

HLSA will be tabling and serving coffee and pastries to all FSU students. The reason we are tabling is to showcase the organization and hopefully have students join the organization. We also want to provide a mid morning snack for students going or coming out of class. Our table will be set up in the main classroom building. As students walk in and out, Chris Cruz and Troy Osorio will greet students. We will answer any questions students may have about HLSA and encourage them to get involved. This will be a great opportunity to engage new students.
