Organizations receive funds for the particular conference of event, any funds not spent will be swept back to the funding council and eventually to COGS at the end of the fiscal year. COGS approval is required for all expenditures, and funds are only granted to organizations who follow policies outlined in the SGA/COGS Financial Manual, COGS Code, and SGA Statutes.

The Law School Council (LSC) reserves the right to sweep any funds back to us.

If an organization wishes to use the funds for a reason other than the one they described at the meeting, they must get approval from LSC.
