**Date/time of event:** 1/17/2024 at 12:30

**Amount requested:** \$250

**Purpose of funds:** The Environmental Law Society will be hosting its spring general body meeting at the beginning of the semester so as to inform members and students as to what the executive board plans to do for the coming semester, solicit suggestions for additional events we may host, and to announce how the ELS will hold elections for the executive board positions for the next term. It is essential to provide food at these events, both so that students don't miss the chance to get food by attending our meeting, and so that we can draw more people to our event.
