Date/time of event: 2/16/23 at 6-8:30 pm

Amount requested: \$272.07

Purpose of funds: OUTLaw Movie Night

We want to hold an event to show the classic LGBTQ+ film, "Brokeback Mountain," which is about two queer men finding love while working as seasonal sheep herding cowboys in the mountains of the American midwest between the 1960s and 1980s. Important themes in the film include period-appropriate homophobia and lack of legal protections for LGBTQ+ persons. We will also be eating cowboy inspired BBQ food catered by 4 Rivers BBQ. 4 Rivers is an FSU approved vender who worked with OUTLaw to create a discounted catering plan that will provide food for event attendees who are vegetarian/vegan, and those who are not. 4 Rivers does not charge tax on FSU catering and has provided a discount for the catering.

Purpose of funds: Community Fund Run

The Community Fund Run is a celebration of diversity and giving back to our communities! Instead of running for one cause, each student organization will choose a cause that is dearest to them to raise money for. Each student organization can select a charity or community organization of their choice. The purpose of this is to allow organizations to champion groups and organizations that they are passionate about. Runners are encouraged to advertise their intent to participate. The route is shorter than a 5K, to encourage beginners and walkers to participate.

Organization: Moot Court Team

Date/time of event: 2/28/23 at 12 - 1 pm

Amount requested: \$910

Purpose of funds: Moot Court Spring Showcase

This event will feature two of our moot court team members presenting oral arguments in front of the team and prospective new members. This showcase is an integral part of the team's recruiting and association. The team members will present ten minutes of oral argument and receive questions from a selected panel of team judges. This event serves not only as recruitment for new members but as a practice execution for our future competitors. The event is taking place on February 28th, in Robert's hall room 102. The event is one that will hopefully attract many 1 and 2Ls who would like to join the moot court team. This showcase will allow our team to advertise exactly what our team does in competition, and provide a benchmark skill level for applicants to analyze and shoot to emulate in their oral arguments for legal writing. Our event is meant to show applicants the nuances and stature of our team. Established in 1968, the Florida State College of Law Moot Court Team is one of the nation's leading university moot court teams. The Moot Court Team annually contends in regional, national and international competitions where teams of two to three members compete against other law school moot court teams. Issues in past competitions have included the First Amendment, Criminal Law, Intellectual Property, Sports Law, International Law, Environmental Law, Evidence, Workers' Compensation, Cyber Law, Corporate Law, Securities, Labor and Employment, Entertainment and Communications Law. These competitions are the main event of being on the moot court team. Academic credit is also available for competitions. Each competition earns the team member two credits during the semester of the competition. Coaches for the team are drawn from the College of Law faculty, alumni and surrounding legal community. This event helps us outline these facts to potential members.
