### **Purpose of funds:** Tailgating on the Green: Clemson

Tailgates are designed to bring students together outside of the traditional obligations of law school. They are also an opportunity to immerse students in the culture of FSU and the Tallahassee area. This year, the FSU football team has been undefeated and we have hosted record numbers of students at our tailgates, including family and friends of FSU students. As such, we have increased our requests for food, drinks, and utensils. SBA tailgates are a tradition at FSU Law that invites students, alumni, staff to come together and relax.

**Purpose of funds:** Tailgating on the Green: FSU vs. Georgia Tech

The last SBA tailgate of the semester! We all know how much stress and pressure law school puts on a person every week. So, why not alleviate that stress with some chill vibes and happy times. Tailgating on the Green will provide the law school with a much-needed break from all the hustle and bustle that goes into the grind each day. With a cold beverage in hand and some delicious food on deck, sharing stories with some of your closest pals, nothing could be better. We will have games, prizes, and a bunch of fun for all to relax, revive, and release any built-up tension.
