**Purpose of funds:**

This meeting is meant to introduce interested students to the College of Law Trial Team. Executive members will speak to their experiences as part of the Trial Team and will provide a general overview of what the Trial Team does. We will also answer any questions that attendees may have. Our team is nationally ranked and we want to continue attracting talented members. There will have food as the meeting is during lunch hours. Food will include sandwiches (offering a vegetarian sandwich option), cookies, and fruit. Drinks will also be provided but are not available for pricing through the Publix app. The estimate includes the cost of paper plates and cups.

Interest meeting. Expecting 1L and 2L students, around 30 but could be more. Aiming around the lunch hour.

**Organization:** Moot Court

**Date/Time of event:** 10/23/2021

**Amount requested: \$536.00**

1. Apparel Subsidy - Consistent with last year's contribution from the school for team apparel, requesting \$400.
2. Team Socials - requesting \$500 toward a team social on October 7th or October 22nd (the exact date is yet to be determined by final tally of the team's availability).
3. Two Weeks With the Team -- At Moot Court is Not Moot Panel, ordering from Chipotle, and it is expected to cost \$340.00. At the Fall Showcase, order Papa Johns, which is expected to cost \$195.59. Therefore, total for the Two Weeks With The Team would actually be \$536.00 (rounded up).

**Purpose of Funds:** For the events, the first one is a team social and we have not nailed down a date yet. We have 32 team members which is who we are expecting. We are throwing this event for the 2L and 3L to get to know each other. The options are restaurants, no alcohol will be purchased with this money. Focused on food purchases. Two weeks with the team is before final four competition. Attorneys and judges come and speak to not moot court members but people from the law school. Aimed toward encouraging participation from the law school. Moot court not moot is what to expect if students were on the team, like an interest meeting. For the apparel subsidy we want to do quarter zips.

**Notes:**

We need a quote for apparel to vote. We will not be able to vote without that quote. The social and apparel is not open to the entire law school anyway so not fair to approve.

The healing circle is a trusting virtual Black space that allows the black law students to express their thoughts and feelings and tell their stories. The past year and a half has been a challenging given COVID-19 and the racial awakening that is happening. Law school is a very challenging space to be in, we want to remind our Black students of their strengths, heal and acknowledge our harms and honor our collective experiences.

**Purpose of funds:** This event is a tabling event that will take place on a Monday morning in October. Everyone will be encouraged to bring their own thermoses or mugs to have some coffee, and learn environmental facts. This event fills a need since the Starbucks is no longer in existence on the law school campus. Law students need coffee, so this is the perfect opportunity to fulfill this need while teaching them environmental facts about coffee, plastic waste, and the ease in which an individual can do something helpful for the environment by bringing their own coffee receptacle instead of using a disposable cup.
