General

- Will send an email out updating RSO's prior to our next GBM
 - Event Requests should state they are for everyone, not just FSUMed as undergrads can also attend these events
 - RSO's should make sure to upload an event flyer to NoleCentral
- Taylor talked to Chris about Funding Requests
 - If we approve a different amount, RSO's do not have to re-submit their funding requests
- Heather recommended if RSO's are going to have in-person events, tables would be useful to be purchased
- Next GBM 3/16 at 12 pm
