Questions:

- What are the funds for?
 - This event is for prospective first year medical students to visit and explore the FSU College of Medicine. There will be students who have been accepted into the next medical school class visiting and exploring the campus. This event will allow prospective students to meet current medical students, visit the campus, and to see what organizations are available for them to get involved with as first year students. This event will be a great way for current first year medical students to meet with prospective students and show them how great FSU College of Medicine is! Because interview season has been virtual, this will be the first time many of these students have seen the campus and it would be a wonderful thing for the students to see.
 - Note: Approved 100 shirts for \$787.40: sizing guidelines per financial manual were followed.
 - Note: As the FSU royalty puts RSO above the \$8.00/ shirt guidelines, we instructed them to have that line removed from final quote.
 - Note: Designs were reviewed and follow SGA/ COGS guidelines.
 - Note: Approved for 100 pre-packaged Chic-fil-a chocolate chip cookies to be distributed for Second Look for \$129.00.
