Questions:

- What are the funds for?
 - The event will allow students to meet each other in a safe environment while enjoying karaoke. The party box Bluetooth portable powered loudspeaker is necessary to allow this event to run smoothly. Additionally, the handheld wireless microphone system will be used by students to sing karaoke. Karaoke is an amazing way to connect students in a stress free environment. The MD class of 2025 starts their semester at the end of May so this event will help them connect to students in other colleges as well as students who are further in the program.
 - Note: Approved total amount for \$818.95:

1 JBL Party Box 310 Bluetooth Loudspeaker for \$499.95, 1 HOSA CSS115 Balanced Interconnect 1/4" TRS Cable 15ft for \$11.00, 1 VocoPro VHF3300 Dual Wireless Handheld Microphone System for \$209.00, and 1 Electro Voice TSP 1 Aluminum Tripod Speaker Stand Pair with Carry Bag for \$99.00
 - This event is open to all FSU students, and clarified that event coordinators must follow FSU COVID guidelines at the time of the event (with the understanding that guidelines are constantly changing so they have to keep up to date with FSU policy).
 - Note: Emphasized that equipment must be accessible to all RSOs/students for use at future events.
