Student Comments:

Committee Business:

The following topics were discussed as potential statute revisions:

- what old statutes are out of date?**
- what guidelines (if any) should be added to improve fairness re: funding boards?**
- how can statutes be updated to be more in-step w/ current SGA processes?**
- Senators agreed to look over finance code, look for long-term substantive improvements that could be made as well as smaller improvements that could potentially be brought to the floor this summer. At the next meeting, we will discuss ideas and go from there.**
