**Committee Business:**

- **Resolution 11 presented by Senator Harris**
  - o First piece of legislation by the sustainability committee
  - o Encourages the university to recognize the Federal Government's fourth National Climate Assessment as of November 2018
  - o Senator Napoli motions to move into round table
  - o Senator Brewer: What does the resolution hope to achieve?
    - Senator Harris: Resolution is the foundation for lots of upcoming legislation and serves as a symbolic piece of legislation.
  - o Chair Warren: Is the resolution too controversial since some students don't believe in climate change?
    - Senator Harris: No because climate change is backed by the majority of scientists.
  - o Senator Schettino: proposes to have more separate trashcans for different material (e.g. plastic, paper)

- Senator Harris: Proposal is already in the process of consideration but there is a problem of funding.
