Committee Business:

- **PAC Resolution #15 by Chair Roy**
 - Opening statement: Good evening, Finance! PAC met yesterday and heard two requests. Special Olympics at FSU host events and activities where they can bring people together. They wanted to host an event on April 22nd and wanted to paint a mural. We were completely comfortable with funding \$683 in expenses and \$53 in food for pre-packaged foods. Shattering Shackles are wanting funding for 50 t-shirts. They have 30 members, which is why they asked for such a low number in t-shirts. They also wanted funding for a banner and it would come from Home Depot, so they used the approved vendor. We would love to fully fund both organizations and please ask any questions.
 - Senator Marcus: For the Special Olympics at FSU event, will it be held on campus?
 - Chair Roy: They were trying to request approved vendors off-campus in order to hold their event.
 - Guest Dammel: The reason we are doing it off-campus is because we wanted to do a garbage pick-up

- Senator Marcus moves to call to question
- Senator Lessard seconds
- Closing statement: PAC did research and it was a two-hour meeting last night, and thank you for your time.

Final Announcements:

- Chair Roy: For the first time, we had quorum last night. We also had vice chair elections, and member Omer Turkomer is the new vice chair for PAC. We want to have a more detailed handbook so that it is easier for organizations to fill out requests as well as making surveys for how their experiences were.
- Chair Rudolph: Keep coming to committee, I really appreciate those that come out to committee meetings every week.
- Vice Chair Soto: Come out to the SLAA meeting tonight at 8pm!
