**Committee Business:**

- **Jimmy Cannon for Homecoming, Homecoming Live Director**
- **Opening** – I am currently a junior majoring in PR and Theatre. I have been involved in HC since arriving at FSU. I work with the Alumni Association. This is not the position I initially. I want to make an inclusive event with more capacity and following CDC guidelines. I want to move back to one headliner. I want to have diversity and queer people of color. Go Noles!
- **Questions**
- Senator Nasworthy: Were you involved in the upcoming homecoming?
- Candidate Cannon: I had a slight hand in it, but I was not in the production meetings.
- Senator Nasworthy: what are your experiences with HC that will help you?
- Candidate Cannon: One thing that I think is important is advocacy. I have to advocate for myself and my friends and the HC court. We run into some things that not all administrators understand, and we need to communicate what we want and speak up for ourselves.
- **Closing** – I want to say that this organization has truly brought me the best experiences and friends, and this is more than just a resume booster for me, and I am excited to help a new generation of FSU students.
- Senator Nasworthy moves to enter roundtable discussion and Senator Gabadage seconds.

- **Opening – Just to clarify,** there are assistants below us and I would be assisting with all HC council. I am a third-year junior studying interdisciplinary studies and I did research with UROP and I was in 2018 sprit force and I am the hospitality chair currently. I also was the outreach chair. I am excited to answer any and all questions.
- **Questions**
- Senator Nasworthy asks what is something you experienced with HC that will help you?
- Candidate LaQuea: My position on outreach chair has to connect with different student agencies and groups. This familiarization has helped me, and participation has increased under my position.
- Senator Gabadage asks her to elaborate on including as many people as possible.
- Candidate LaQuea: A big part of involving as many people as possible and I think this requires communication skills and involving different members of the community. We will start this quickly.

- **Opening –** Hello everyone, I am a junior majoring in HR management and engineering. I am excited to be here. My first semester here I came to FSU as a freshman and served as creative chair and I currently serve as operations director. HC has transformed my FSU experience and I am honored to be considered.
- **Questions**
- Senator Nasworthy asks what the biggest hurdle was.
- Candidate Deering: This position is usually 6 months, but it has been 1.5 years for me. The pandemic has changed all the person capacities and safety protocols. The biggest thing is being flexible and moving forward.
- Senator Hitchcock asks what personal quality or experience can help you.
- Candidate Deering: Communication is key, and it is important to talk to students and others to hear what they have to say.
