**Announcements:**

- Chair Adams: Interviewing for forwarded candidates will happen in next IA meeting.
- Vice Chair Gonzalez: We received the forwarding letters, they have been uploaded to the Drive, review those thoroughly before the interviews.

**Committee Business:** Individual Check-ins,  
Legislative Roundtable

**New Business:**

- Individual Check-ins
- Legislative Roundtable
  - Chair Adams - NCBI Training, figure out how to add those into statutes and decide whether it should be required or optional for senators. IA has ability to hold professionalism workshops.
  - Rudd & Waters – Reaching out to different entities on campus to figure out how to best modify the trainings to apply to SGA without overtaking the program from the student body. Meetings are in the works. Add questions to SGA application about trainings. Maybe recognize or highlight Senators on social media that attend these trainings so it's not forced.

- Medley-Neyra – Don't think trainings should be required, may not be beneficial. Give option to choose what training a Senator wants to attend. Agree with highlighting senators, more fruitful.

**Unfinished Business:**

**Final Announcements:**

- Murcia: If anyone has any questions about statutes, calendar, or anything senate related, please reach out to me. Don't be afraid, I'm here for you guys.
- Waters: If anyone wants to sit in on my book club tonight, let me know I'll send you the link.
- Chair Adams: I'm glad we can have an informal meeting. Remember to dress professionally for when we interview the candidates forwarded to us for next meeting. The forwarding letter with application links is in the Google Drive and will be emailed to you as well. Thank you all for being here and open to speak.
