Rosencrantz and Guildenstern are DEAD

Rosencrantz and Guildenstern are dead. At least, they will be. Then again, maybe not. Follow the story of Hamlet through the perspective of his two (less-famous) friends, Rosencrantz and Guildenstern, as they stumble along. Trouble is, neither of them have the foggiest idea of what is really going on. Comic moments unfold into surreal antics and misadventures as the bumbling duo discover their inevitable fate.

Friday, Nov. 3rd from 8:00pm-10:30pm, show is running until Sunday, Nov. 12!

The Children's Society Home is looking for some enthusiastic volunteers to help with Roberts Elementary School graduation.

What is the Children's Home Society?

CHS leads the way in developing and delivering solutions that drastically change life trajectories for children and families.

They're different because they invest in lasting solutions, not short-term fixes. They empower children and families to cross bridges that lead to success.

At CHS, they are reimagining the future of foster care. They're creating a world where children are safer — where they don't enter foster care in the first place. We're addressing the root causes that lead to dangerous situations ... and we're implementing one-of-a-kind solutions that will change the future for children, families and communities.

What do volunteers do?

They have several ways to volunteer and all of them are fun!

Help with Early Graduation Step Up on Friday, November 3rd from 4 :00pm to 7 :00pm. Tasks include loading up at CHS and unloading at Roberts Elementary School, setting up stage, cardboard train, making gift bags, and setting up tables and chairs.

Help Graduation Day On Saturday, November 4th from 1 :30pm to 6 :00pm. Tasks include finish setting up, greeting guests, passing out programs, signing in graduates, monitoring graduates, ushering, food, games at reception, cleaning up, and unloading at CHS.

Contact Jessica Porter at jessica.porter@chsfl.org for more information.
