A MESSAGE FROM
THE EXECUTIVE CABINET

As the month of February comes to a close we would like to take a moment to reflect.

February is one of the busiest months of the school year, between elections, Black History Month, FSU Day at the Capitol, Dance Marathon, and the Lunar Banquet, just to name a few.

We are proud to say that all of these events were very successful and hope everyone enjoyed all of the unique engagement opportunities planned this month!

In 1973, Charles Thompson, was elected as the first black Student Body President at FSU. Many other minorities have followed in his footsteps and FSU SGA continues to be a testimony as to the diversity that is present on this campus.

In 2002, Michelle Pletch was elected as the first black woman Student Body President. Stacey Pierre became the second in 2017.

In 2016, the Tabares/Pierre-Louis/McGuinness Administration successfully helped to lobby with major individuals and legislators to receive the $1.5 million in PECO funding for the new Black Student Union house.

The Student Government Association celebrates black history not just this month, but every day.
DOING THE 'DM' THING

Congratulations to the entire Dance Marathon at FSU 20 team and all the participants for raising $1.9 million For The Kids, the Children’s Miracle Network, and the FSU College of Medicine Pediatric Outreach Program.

We are so proud of the hardwork you all have put in throughout this past year!

FASC CONVENTION: LEADERSHIP PARK

The Florida Association of Student Councils, consisting of over 200 middle and high schools in the state of Florida, gathers together for the FASC Conference once a year. This year the conference was held at Leon High School.

Thank you to FASC for allowing us to attend and present alongside FAMU. We are so happy to have had the opportunity to speak with the next generation of collegiate leaders!
