A MESSAGE FROM THE EXECUTIVE CABINET

The semester is coming to a close and finals and fall graduation are right around the corner.

The end of the semester also signals the halfway point of the Steinberg-Lee-Dawkins Administration and we want to show the Student Body what we have accomplished so far. We are hosting a Fall Recap event, allowing all branches of the Student Government Association to present their progress from the past fourteen weeks. Along with our Platform Tracker, which is on the SGA website and consistently updated, we believe that this Fall Recap will provide students with a visual update of progress being made within the Student Government Association, especially projects that may fall outside of our platform.

Please join us Tuesday, November 3rd in SSB 208 starting at 6pm to see what various organizations have accomplished in the fall semester.

SGA FRIENDSGIVING

Wednesday, November 20th, members of the Student Government Association gathered in the Union Ballrooms for SGA Friendsgiving. The event was a success, as students were able to enjoy food, music, and reflect on what they were thankful for before the Thanksgiving break.
A REMINDER FOR FINALS WEEK

This finals week we want to remind the student body of all the resources available to students. Aside from the University Counseling Center, the Dean of Students Department offers Case Management, which provides immediate support to students experiencing a difficult time, and the Victim Advocate Program (VAP) provides confidential support services to students, staff, and faculty who may have experienced a traumatic event.

Case Management Services are available 8am to 4pm Monday through Friday in 4100 of University Center A for walk-ins. You may also call the Dean of Students Department at 850-644-2428. VAP services are available 24 hours a day: Monday through Friday 8am to 5pm by visiting UCA 4100 or calling 850-644-7161 and after 5pm, weekends and holidays by calling FSUPD at 850-644-1234 and requesting to speak to an advocate. We know that this time of year can be stressful and oftentimes overwhelming and we encourage you to not only look after one another, but to also take advantage of these resources.
