A MESSAGE FROM
THE EXECUTIVE CABINET
We are three weeks into the school year and it has been full of high notes. One of them being the news about our University making it to #18 of Public Universities! This jump in ranking would not have been possible without the hard work of our students, faculty, and staff.
Not only did we skyrocket into the Top 20 this year, we also made progress on our platform. Our annual Welcome Back Barbecue was a success, feeding more people than in the past years. We launched the first segment of our Live Well Day series, each day highlighting the importance of a certain area of wellness. The Executive Cabinet has made big strides in cultivating better relationships with FAMU, TCC, and our Panama City Campus. We look forward to continuing these efforts, as well as others, throughout the rest of the school year.

ROUND UP REVAMP

STATE OF THE STUDENT BODY ADDRESS
Engage~Govern~Explore~Advocate

This past Wednesday, September 11th, 2019, student leaders from all across campus (and neighboring campuses) gathered in HCB 103 for the annual State of the Student Body Address, given by the Student Body President at the beginning of each school year. President Evan Steinberg spoke about all of the advancements to the executive platform, including progress with expanding Medical Amnesty in the state of Florida, and increased focus on mental health on campus.

His message was hopeful for the future, Evan let us with a call to action and a promise: "it is imperative (...) to remain true to raising the torches of Vires, Artes, and Mores, and remain true to acting upon these values. As Student Body President, I vow to continue our efforts to ensure the State of the Student Body upholds Seminole Pride."

WELCOME WEEK 2019

Welcome Week this year was a success! From traditional events such as Convocation and the Welcome Back Barbecue to new events like Traditions Fest and the Pep Rally, we had a blast bringing in the new school year.

SGA SPOTLIGHT:

KAYLA FRANCIS

Kayla Francis is a junior from Davie, Florida studying Political Science and Communications. During her time at Florida State, Kayla has had the pleasure of serving as a 2018 Orientation Leader, where she got to welcome new students and families to campus. In her second year, Kayla began her involvement with the Caribbean Student Association. Before becoming the Press Secretary, she served as the Deputy Public Relations Manager for a political party and, after a successful campaign, she was appointed as Public Relations Chair. Through her involvements, Kayla has developed a passion for making sure students who may not think they fit in anywhere, know they can find a place to be heard and supported somewhere at Florida State University.
