CAMPUS ORGANIZATIONS & RESOURCES

The Student Veterans Center serves as the focal point for all campus veteran support services; from transition assistance, to VA benefit certification, to educational assistance. The Center also promotes awareness of Seminole veteran heritage and veteran related issues to campus and alumni populations alike. In addition, several RSO’s represent the University’s campus wide commitment to veteran support and success.

The Collegiate Veterans’ Association is dedicated to providing a social network for those who have experienced life in or around the military to aid in the transition from military to campus life, and to continue their service to each other and their community.

Students for America’s Military is a group of Florida State students who actively express their appreciation to U.S. armed services personnel.

Project RAWW aims to unite the FSU community in order help those who have lost and/or risked so much of themselves to help their country. A list can be found at sga.fsu.edu/vsu/va.shtml

ACADEMIC OPPORTUNITIES

Veterans have the opportunity to take a course called, Strategies for Veteran Success (SLS 3407), which provides strategies and tactics for succeeding at a large research university like FSU.

CULTIVATING LEADERSHIP

The SGA Diversity & Inclusion Institute is an 8-week program held in the Spring Semester where participants are challenged to gain knowledge about how to support fellow students with various identities to create a more united campus.

The Leadership Learning Research Center offers the Undergraduate Certificate in Leadership Studies to prepare students for leadership in multiple contexts. Email Leadership-Studies@fsu.edu to schedule your advising appointment today!

VETERANS STUDENT UNION

The Veterans Student Union is committed to serving all student veterans and the interests of those who support them. The primary goal of the VSU is to acknowledge the service and contributions of our student veterans, increase campus awareness in supporting them, and to celebrate veterans through programming and events. Annually VSU hosts FSU Veterans Film Festival, which heightens awareness of veterans’ issues among the campus and local community and is generating growing respect within the film industry nationally. Join VSU and their alliances at their monthly general body meetings and annual Veterans Appreciation Month events in November.
