 - Land Acknowledgement:
 - The Student Government of Florida State University acknowledges that it is located on land that is the ancestral and traditional territory of the Apalachee Nation, the Miccosukee Tribe of Florida, the Muscogee Creek Nation, and the Seminole Tribe of Florida. We pay respect to their Elders past and present and extend that respect to their descendants and to all Indigenous people. We recognize this land remains scarred by the histories and ongoing legacies of settler colonial violence, dispossession, and removal. In spite of all this, and with tremendous resilience, these Indigenous Nations have remained deeply connected to this territory, to their families, to their communities, and to their cultural ways of life. We recognize the ongoing relationships of care that these Indigenous Nations maintain with this land and extend our gratitude as we live and work as humble and respectful guests upon their territory. We encourage all to learn about and educate others on the contemporary work of the Indigenous Nations whose land we are on and to endeavor to support Indigenous sovereignty in all the ways that we can.

-We did keep the rso on the zoom to find proof of advertising to the whole student body, they were unable to show proof so we had to table them. The trumpet Guild agreed and would come back with social media advertising proof and a new request with correct numbers

-Ash Soto mentioned that the RSO had a flyer at the college of music to advertise however, the RSO representative Anthony NEVER brought this up or said the word flyer and the RTAC committee agreed Anthony never mentioned said flyer. The RSO failed to mention a flyer or any details about the flyer.

- The RSO even submitted on the qualtrics the only method of advertising was social media NOT a mention about a flyer besides the announcement from Ash Soto after the business was over.
