Opening Remarks:

 - Land Acknowledgement:
 - The Student Government of Florida State University acknowledges that it is located on land that is the ancestral and traditional territory of the Apalachee Nation, the Miccosukee Tribe of Florida, the Muscogee Creek Nation, and the Seminole Tribe of Florida. We pay respect to their Elders past and present and extend that respect to their descendants and to all Indigenous people. We recognize this land remains scarred by the histories and ongoing legacies of settler colonial violence, dispossession, and removal. In spite of all this, and with tremendous resilience, these Indigenous Nations have remained deeply connected to this territory, to their families, to their communities, and to their cultural ways of life. We recognize the ongoing relationships of care that these Indigenous Nations maintain with this land and extend our gratitude as we live and work as humble and respectful guests upon their territory. We encourage all to learn about and educate others on the contemporary work of the Indigenous Nations whose land we are on and to endeavor to support Indigenous sovereignty in all the ways that we can.

- **RSO Presentation:**

The object of this fraternity shall be for the development of the best and truest fraternal spirit; the mutual brotherhood of musical students; the advancement of music in America, and a loyalty to the alma mater.

Through prior interest in attending national convention. Also through previous service to the fraternity, and newly-elected officers. Due to being in the midst of a national emergency we would like to send at least our president-elect to represent our chapter, along with our previous president for guidance. However, we selected 8 brothers due to sets of 4 being the cheapest option for lodging, and this experience is beneficial for everyone, due to the opportunities that come with attending a national convention.

The opportunity was advertised many times during our own chapter meetings, and the national fraternity periodically sends out emails about the convention.

There are leadership and musical workshops that can benefit not just our fraternity but the college of music and student body as a whole. We would also be representing FSU to our national fraternity and would like to put our best foot forwards for the future.
