### **RTAC's Decision**

- We agreed to fund the only members that have not attended the trip on the roster (9). Due to the fact that the ticket cost includes breakfast we reduce the ticket cost per person to \$90. Due to the lack of effort to fundraise we decided to split the ticket cost in half to \$45. That gives us  $\$45 * 9 = \$405$ . We also decided to fully fund their gas request at \$175. Giving the total RTAC funding to \$580.
