The Trip

Name: Tulane Drill Competition

Date: 02/08/2018 -02/11/2018

Purpose: This trip benefits the FSU student body by representing the Military Science

Department, along with the Seminole Guard Organization on a national scale.

Number of Students attending: 21 (2 alternates included)

Miscellaneous

21 people are going on this trip (roster?). Attendees selected through a two-week long selection process that consisted of drill capabilities, rifle movements, attendance in the organization, and overall fluency of discipline. Everyone attending is an undergraduate. 2 last games for fundraising, basketball game (maybe). \$92 per person raised for ushering. \$100 per person raised for parking. Depends on the number of slots they have available.

RTAC's Decision

Decision to table based on lack of a roster.

Get roster next week because we fund per person and we will be able to make a decision.
