

THE SEVENTY FIRST STUDENT SENATE

Resolution 7

Sponsored by Senator Leckie

- WHEREAS:** The climate is rapidly changing due to human activity, and,
- WHEREAS:** Immediate action, from both governmental and civilian organizations is necessary, and,
- WHEREAS:** Universities across the nation, including the University of Florida, have taken significant action against climate change, and,
- WHEREAS:** The purpose of the Student Senate at Florida State University is to represent the interests of the student body, and,
- WHEREAS:** The mitigation of the harmful effects of climate change is in the best interest of the student body, therefore

BE IT RESOLVED BY THE SEVENTY FIRST STUDENT SENATE AT FLORIDA STATE UNIVERSITY THAT:

The following actions be recommended to President John E. Thrasher and the Florida State University Board of Trustees:

1. The Florida State University shall ratify the University Climate Change Coalition to join a "robust exchange of best practices and lessons" in a community of universities across North America.
2. The Florida State University shall join the "We Are Still in Declaration" to join 346 Universities, across the United States to mitigate the causes of climate change, and

BE IT FURTHER RESOLVED THAT:

A copy of this document be sent to John Thrasher, President of Florida State University.

71st Student Senate President

Director of Student Affairs
