73rd STUDENT SENATE

Bill #: 36

Primary Sponsor: Randall

Co-Sponsor(s): Arutt, Linksy, Stults, Tackett

BE IT ENACTED BY THE SEVENTY THIRD STUDENT SENATE THAT:

An allocation of \$1,763.28 from Senate Projects account to The Center for Health Advocacy & Wellness account

The purpose of this bill is to restart the cooking classes initiative after a year of inactivity and provide participants with the supplies to cook meals at home. This reduces a small financial barrier for students that are often already living on tight budgets. The quantity was determined by taking the max number of students in a pre-pandemic class and multiplying it by the number of classes that occur in an academic year.
