Transfer from Senate Projects

BE IT ENACTED BY THE SEVENTY-SIXTH STUDENT SENATE THAT:

A transfer of \$2,000 from Senate Projects to FSU Libraries to support students by allowing libraries to work with books that will directly benefit the students by expanding our Course reserves initiative. This allocation of money would provide libraries the ability to give students books that are more recent and updated that they aren't already getting from the course reserves selection. This would signify expanding the 2 citation guides and 1 of each general title for an undergraduate psychology book for freshman semester. Along with 2 semesters worth of new textbooks that students need. As well as, leaving room to buy books for a more robust collection.
