76th STUDENT SENATE Senate Resolution

Resolution #: 39

Primary Sponsor(s): Larancuent

Co-Sponsor(s): Brown

Date: 3/19/24

Whereas: The health and well-being of students at Florida State's campus is of utmost importance, and

Whereas: Yoga mats and air-inflatable chairs are easy to store and would be of good use to students on campus. By providing alternative lounging materials alleviate traffic in the libraries and allow students to use and engage with all aspects of our campus, more comfortably, and

Whereas: The hammock initiative launching by the libraries is an example of how renting out such items can increase accessibility and foster community engagement, and

Whereas: Such amenities would be beneficial for students who may not have access to them and would encourage community building and networking. These initiatives support emotional wellness by allowing accessibility to these items, and

Be it resolved by the Seventy-Sixth Student Senate at Florida State University that:

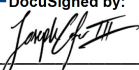

Senate should work alongside Strozier to enhance its initiative by expanding to the renting of seating and mats, fostering a welcoming environment that encourages students to frequent Landis for the sake of their health, comfort, and overall well-being. This expansion not only prioritizes the students' needs but also serves as an opportunity to strengthen our connections with Strozier, creating a more integrated and vibrant campus community.

Be it further resolved that: SGA also expresses its interest in potentially collaborating with the FSU libraries to help fund this project, subject to available financial resources.

Be it further resolved that a copy of this resolution be sent to:

Gale Etaschmaier, Dean of University Libraries
Eleanor Cleveland, Access Services & Reserve Collections Manager
Jeffrey Hipsher, Head of Access Services & Delivery
Malena Romero, Director of Health and Wellness
