Chapter 812 iClicker Equipment

- A. Each Senate seat shall be assigned an iClicker for voting by the Senate President or Senate Pro Tempore. It shall be the responsibility of each Senator to check-out and check-in their iClicker at each Student Senate meeting. Failure to return or report a lost/stolen iClicker within one (1) week of check-out will violate the Finance Code and be considered theft, unless other arrangements to return are made in writing via email to the Student Senate President, Senate Pro Tempore and the Student Senate Program Assistant. Damaged/malfunctioning iClickers shall be returned to the Student Senate President or Pro Tempore or the following rule will apply.
- B. If the iClicker assigned to a Senator is inoperable or unavailable, the Senate President or Senate Pro Tempore shall temporarily assign the Senator an available iClicker for the duration of a Student Senate meeting. This temporary assignment shall be noted in minutes. Senators remain responsible for the iClicker that is temporarily assigned to them. Under no circumstances should a Senator use an iClicker that is not assigned to them.
- C. Penalties
1. If a Senator is found to be voting with an iClicker that is not assigned to them, they will lose their voting privileges for the duration of the Senate meeting.
 2. The Senator shall lose their voting privileges until the iClicker is returned or replaced.
 3. It shall be the responsibility of the Senator to reimburse SGA for the cost of the iClicker or replace the iClicker with a comparable and compatible device.
 4. Failure to report a lost device or return a device and compensate SGA will result in a FSU police report being filed against the Senator. Student Rights and Responsibilities will be alerted. Grades/transcripts will be held, and immediate suspension pending impeachment proceedings.
