Date: 12/4/22

Whereas: The Tallahassee Police Department and FSU PD have been protecting our students all year. Since move in day in August, the Departments have been working tirelessly to protect our university community on and off campus, and

Whereas: It is important to recognize those who have put their life on the line to protect us every day. They leave their families whenever their shift begins to protect our university family, and for that the student body is grateful, and

Whereas: In recent actions regarding students they have responded quickly and diligently to protect us and prevent danger. On a recent night they responded within minutes to protect the student body from gun violence, just as they have many nights. They quickly evacuated people from the premises which was located close to campus on College Avenue. Thanks to law enforcement there were only minor injuries due to their support and quick action, and

Whereas: They are out every night in places where students are frequently at throughout all hours of the day. The Tallahassee Police Department has worked a countless number of hours to protect Florida State University Students, and

Whereas: They are the responders to over 400 emergency light posts across Tallahassee that have been placed as a result of the Emergency Phone Program. These lights ensure that those walking through campus may feel safe in the case of an emergency, and the Tallahassee Police Department is involved in the regulation and placement of those lights for when they may be needed, and

Whereas: The Student Senate recognizes there have been at least 102 serious shootings in Tallahassee and Leon County resulting in Eighteen deaths. The Senate recognizes that the police officers are putting their lives on the line to protect ours. Without the bravery of our officers and their medical care in emergencies, that number would be higher, therefore

Be it resolved by the Seventy-fifth Student Senate at Florida State University that: The Seventy-Fifth student Senate recognizes our local law enforcement for their courage and willingness to defend our community, and

Be it further resolved that: That the Student Senate will reach out to the Tallahassee Police Department and FSU PD to foster a stronger relationship and show them the support that the student body wants to give them, and

Be it further resolved that: That the Student Senate will set up a liaison with the FSU PD and the law enforcement community in Tallahassee to strengthen communication between the students and the departments.
