Resolution: 29

Sponsors: Cavallaro, Castagna, & Slider

Whereas: The Florida State University does not extend employee benefits to eligible domestic partnerships, including same-sex relationships;

Whereas: The Florida State University is in the vast minority in the Florida State University System in failing to extend the appropriate employee benefits to all domestic partnerships;

Whereas: State Universities such as the University of Florida, the University of South Florida, the University of North Florida, the University of Central Florida, and Florida International University to name a few, do extend the appropriate benefits to all domestic partnerships;

Whereas: The lack of The Florida State University extending these benefits leaves FSU in a poor situation to recruit the best professors to our university by having limited benefits compared to other state schools;

Whereas: The Florida State University prides itself in its non-discrimination policy which does include "sexual orientation";

Be it resolved by the Sixty-Fifth Student Senate: The students of Florida State ask that the Administration of the Florida State University extend benefits to all domestic partnerships;

Be it further resolved: The Student Senate asks the Student Body President to push for this change at the Board of Trustees level as well as the PRIDE Student Union taking a position supporting extending benefits to all domestic partnerships;

Be it further resolved: The students of the Florida State University ask that the Faculty Senate take up a similar resolution in favor of extending all the appropriate benefits to all domestic partnerships;

Be it further resolved copies of this resolution be sent to:

Resolution ~~68~~ 27

Sponsored by: Senator Katz, Senator Boothe

WHEREAS: Parking is a primary concern for many students here at Florida State University,

WHEREAS: Many students are currently displeased with the amount of available parking in the center of campus,

WHEREAS: Parking garage number 1 (Woodward Avenue) and parking garage number 2 (Traditions Way) are currently the only overnight parking garages,

WHEREAS: These garages, along with other garages located at the center of campus, typically have the highest parking traffic density,

WHEREAS: Redistributing overnight parking to the top floors of all parking garages would evenly spread overnight parking throughout campus,

WHEREAS: This redistribution would create more overnight parking for students living on campus while simultaneously freeing up parking spots towards the center of campus for commuting students,

THEREFORE, BE IT RESOLVED BY THE 65TH STUDENT SENATE OF THE FLORIDA STATE UNIVERSITY THAT: The student body is in support of the removal of the current overnight restrictions on overnight parking, to be replaced by the designation of the top floors of all parking garages for overnight parking.

BE IT FURTHER RESOLVED BY THE 65TH STUDENT SENATE OF THE FLORIDA STATE UNIVERSITY THAT: That a copy of this resolution and the attached document be sent to
