In closing to a rather successful year, Poetic Lyricism would like to honor and show appreciation to our members and performers of The Florida State University student body. The awards show genuine encouragement and instill a sense of accomplishment in our members, letting them know that their efforts have not gone unnoticed. The awards winners were selected by their peers and reflect the appreciation of the student body. The t-shirts are to provide a sense of pride and belonging to our RSO as a whole. Our active members, even if they did not perform, should receive a form of sentiment and appreciation for all of their efforts in contribution to Poetic Lyricism's continuing success.

Due to unanticipated change in PAC hearing date, and misplaced paperwork in the finance office, Poetic Lyricism missed our initial PAC hearing. In lieu of our miscommunication, our members and student body should not have to be subject to an improper close of the 2012-2013 academic year, their efforts were far too great.
