Date: September 21st, 2020

Whereas: Statute 702.1 A 2 states “A Supervisor of Elections must be appointed no later than the last week of the Spring Semester and confirmed no later than the first Student Senate meeting of the fall semester” and

Whereas: the Student Body President has not appointed a Supervisor of Elections by the date in which Statutes mandates, and

Whereas: No other student government officer shall uptake the duties and responsibilities outlined in 702.2 other than the Supervisor of Elections or Deputy Supervisor of Elections, and

Whereas: The election is set to take place on October 7th, 2020 which does not allow for enough time to install a Supervisor of Elections into a position in which they can fulfill their duties in a timely manner, and

Whereas: The ongoing Covid-19 pandemic has led to unprecedented circumstances in the handling of on and off campus organizations, and

Whereas: The Vice-President of Student Affairs oversees the business and functions of the Student Government Association and holds the power of signing all legislation into effect, therefore,

Be it resolved by the Seventy-second Student Senate at Florida State University that: Dr. Amy Hecht, Vice-President of Student Affairs, change the date of the election from October 7th, 2020 to October 28th, 2020 to give the Student Government Association enough time to install a Supervisor of Elections, and

Be it further resolved that: The Student Body President appoints a Supervisor of Elections as soon as possible and the Student Government Association works toward solutions to avoid this sequence of events in the future, and

Be it further resolved that: A copy of this is sent to:

Dr. Amy Hecht, Vice President of Student Affairs

Dr. Brandon Bowden, Assistant Vice President of Student Affairs; Interim Director of SG&A
