- I. Old Business
 - A. Merch - Awaiting Approval
 - B. Freshman Resource Fair Eval:

- Pros: Punchcards was perfect, Table set (fcc first), Check-in, Amount of orgs was good (17), Orgs brought incentives and events was fun, timing was good, amount of food was perfect, union green was good location, people said they got to meet orgs they didn't know about and wanted to join, not as overwhelming as the involvement fair.
- Cons: Contacting was an issue, Too crowded at front table at first, Promotion lacked,
- Ideas: Assign tasks before hand for class council members, get swipe in thing, Sign next time, food trucks, Second table for food,
