

THE TWENTY NINTH CONGRESS OF GRADUATE STUDENTS

Bill #: 4

Sponsored by: Representative Blake-Hedges

BE IT ENACTED BY THE TWENTY NINTH CONGRESS OF GRADUATE STUDENTS THAT:

A transfer of **\$162** from **Graduate Researchers of Geography Group Food** to **Graduate Researchers of Geography Clothing & Awards**.

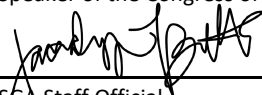

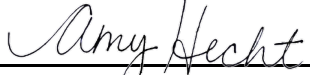

The purpose of this transfer is to reallocate our food funds to better support our organization during the pandemic. Initially, we requested a large food budget to support and incentivize attendance at our monthly general body meetings and events. However, with COVID we have had to transition most of our meetings and events to a virtual setting, meaning that we have been unable to use any of the food funds. We would like to sue these funds for promotional items, such as tote bags. We plan to use the tote bags as care packages that we will give out at our End of the Year Social. This would be a great way to celebrate the close of a challenging year and to get students excited about our events next year.

Clothing & Awards: \$162
Total: \$162
