The 24th Congress of Graduate Students

BILL 5

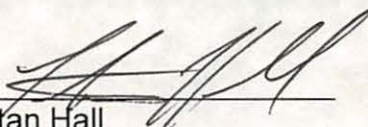

Allocation to the FSU Art Therapy Association

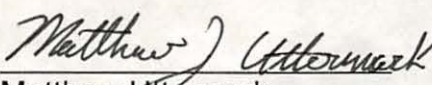

On January 11, 2016, the body voted to move the following amount from the COGS 2015-2016 Unallocated Account (244-003) to the FSU Art Therapy Association:

Contractual Services:	\$1,485
Expense General:	\$200
Food:	\$1,000

Purpose: The FSU Art Therapy Association (FSU ATA) conducts an annual workshop each spring in order to offer professional development for current FSU students and art therapy practicum supervisors in a variety of mental health service fields. The workshop is also open to future art therapy students that are visiting FSU for their graduate interview process. FSU ATA would like to expand the workshop by offering a speaker and a topic that will increase attendance from non-art therapy students and promote multidisciplinary discussions and collaborations across campus.

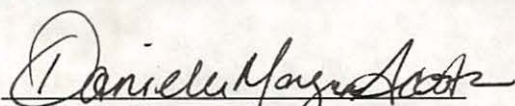

Proviso: All COGS Funds not spent for this request shall be returned to the COGS Unallocated Account.
