The BGSA Retreat on February 27th will be an event held for members of our organization. It will open to all members and will be held at FSU's Reservation. It will be an all-day event, filled with team building activities, food, and games for our members to participate in. This was created to give our Black graduate students a space to recoup and bond while upholding our mission of empowering, enriching, and enlightening our community. We are expecting between 20-30 attendees and would like to budget for at least 30 since our organization is growing.
