Organizations receive funds for the particular conference of event, any funds not spent will be swept back to the funding council and eventually to COGS at the end of the fiscal year. COGS approval is required for all expenditures, and funds are only granted to organizations who follow policies outlined in the SGA/COGS Financial Manual, COGS Code, and SGA Statutes.

The Law School Council (LSC) reserves the right to sweep any funds back to us.
If an organization wishes to use the funds for a reason other than the one they described at the meeting, they must get approval from LSC.

Meeting Minutes
(please include a breakdown of the funding request, costs, and what allocated funds are being allocated for. Should also include the vote for each request).

Organization: Student Bar Association

Date/time of event: October 23, 2020
Amount requested: $1,973.44
Purpose of funds: 1L T-shirts

Details of event: Every year the Student Bar Association purchases an FSU Law t-shirt for the incoming 1L class. They plan to use these funds to purchase these shirts and distribute to the 1L class. Although their orientation was in the past, SBA was unable to request the funding for these shirts due to the funding freeze, so they are planning to purchase these shirts and hand them out to the 1L students. The quote is from FullPress Apparel who they used in the past for 225 shirts (of various sizes) using the usual FSU Law design from the years prior.

Notes:
- Sizes based off the financial budget
- Only possible issue is the larger sizes which are over the mandated $8 in the manual
  - Voted to be size inclusive and if not funded SBA will still purchase the larger size shirts

Organization: Student Veterans of America at FSU Law

Date/time of event: January 6 – January 10, 2021
Amount requested: $1,230.61
Purpose of funds: Conference (Natcon 2021)

Details of event: Natcon is the largest conference for student veterans. The conference is taking place in Orlando, FL. The conference brings in veteran supporters from outside of the organization to speak and serves as a networking event. Currently there is a big need for legal services among veterans and they want to build a network among law schools in order to create a resource for the veterans and want to use this event to further this cause.

Notes:
- COGs is currently not funding travel.
- Pretty sure that the conference will be canceled or go online
  o If so, we will be refunded what is not used (travel, hotel, remainder of conference fees)
- Conference fees last year were $220
  o Amending the conference fee from ($100 per person to $220 per person)
  o Total amount requested is now
- The undergrad veteran’s group will possibly be funding more law students in addition to what LSC funds
