

Student Advocacy Committee Meeting

Sept 24th 2022 @ 1:00pm

Representatives Present: Galeano, Vaughn, Boatright, Ilesanmi

Excused Absence:

Unexcused Absence:

Guests: NA

Discussion Points:

1. Representatives Boatright and Galeano will be meeting with Jesse O'Reilly from the GLOBE to talk about ideas of how we can increase graduate RSO utilization of the building.
2. It has come to our attention that there is not a comprehensive list of graduate student RSO's with contact information. We are aware of the RSO's that use COGS funding, but we do not know if there are RSO's that do not use COGS funds. We are making it our responsibility to organize a list of this kind so that we can both better monitor graduate student utilization of COGS resources.
3. Representatives Vaughn and Ilesanmi have elected to handle the topic of graduate student childcare. They will be scheduling a meeting to follow up on the childcare center's responsibilities as stated in resolution number 4.
4. Jorge Galeano has volunteered to be student advocacy chair for the following semester. Once Representative Boatright's term as COGS representative ends, a formal vote will take place.
