New Business:

- Chair Latham picked up where the committee left off during the last meeting- discussing a possible Statute revision for **Statute 202.1**. This time, the committee had new ideas at the table, thanks to Senator Sanchez, Senator Uddin, and Senator Parker. Senator Parker brought to the table new thoughts on the pros and cons of having such transparency in the Internal Affairs committee during the election process if the IA Chair were to read out the committee's thoughts on the candidate. We as a whole discussed how to go about keeping a professional level of transparency if the IA Chair were to read out the committee's thoughts on a candidate on the floor while also staying genuine and professional, as not to discourage the candidate or give them the "wrong impression." We ultimately tabled the discussion for the next meeting.
- Chair Latham introduced an idea for a Statute revision on **Statute 1112**. Since the Men Advocating Responsible Conduct club has not been active for the past few years and currently has no active members, Chair Latham thought it would be worth eliminating Statute 1112 as a whole, to which the rest of the committee agreed. Vice Chair Bodiford created a Google Doc for a draft of a revision and added Chair Latham, Senator Basdeo, Senator Uddin, Senator Parker, Senator Linarte, and Senator Sanchez to it. The committee brainstormed how to phrase the purpose of the revision and attempted to put the Statute into the correct formatting into the Google Doc. Ultimately, the committee decided to table the draft for the next meeting and agreed to work on it outside of committee hours.
