Chair Leckie relinquishes chairship to Vice Chair Wang

- **Bill 105** - Sponsored by Senators Adamyk and Leckie, cosponsored by Senators England and Mougey - to amend the composition of the Office of the Attorney General
 - Opening Statement
 - Adamyk: This bill is designed to finish the work we started over the summer to restructure it in a way that is more in line with the realistic functioning/structuring of the Office of the AG. It provides more detail and greater explanation of what is expected and clears up misconstrued notions.
 - Technical, Non-Debatable
 - None
 - Senator Little moves to enter Round Table Discussion
 - Senator Murcia seconds
 - Round Table
 - Little: Looking at section 300.6 F. 2. Is there a grammatical error in the last two lines?
 - Adamyk: Yes, it's correct. To me, it doesn't change the meaning of the sentence. Feel free to amend.

- Murcia: 300.7 O. You talk about creating internal departments. What purpose does that serve?
- Adamyk: This is so that you can have a specified job for each department. If you have someone who wants to help out in the Office of the AG, and they're able to specialize in one field over another, you can appoint them head of that department. It structures the office a little better. I don't specify what kind of departments to leave that up to the AG.
- Murcia: When does this go into effect?
- Adamyk: As soon as it's signed.
- Little: 300.7 I. Appointing a designee to represent the executive branch on behalf of the Office of the AG, and it's mentioned in a couple of other sections underneath. Who would that be, and how is that person related to the office of the AG?
- Adamyk: I'd assume it would be someone from inside of the department. If the AG can't take a case, he can designate it to an associate or Deputy AG.
- Senator Boole moves to call the question
- Senator Little seconds
- Closing Statement: Hoping he addressed any questions.
- Vote
 - Boole: Y
 - Leckie: Y
 - Little: Y
 - Murcia: Y
- Bill Passes
