Committee Business:

- **Bill 102: Sponsored by Bateman**
 - Bateman opens by explaining that he is the liaison between the Senate and the MRU, and they are struggling to find funding for things they did not have to expect to finance this year. They need to purchase PPE and sanitizing equipment. This bill seeks to finance face masks, gowns, thermometer, sanitizer, etc. and aims to serve the students and the MRU better, showing our support for the work they do and to continue to provide health services to students.
 - Yields 3:45 to closing.
 - Selva motions to enter roundtable. Pedroso seconds.
 - Selva commends the sponsor and asks whether University Health Services needs to be notified that more PPE is needed.
 - Bateman explains that the supervisors of MRU are employees of UHS, but MRU itself is a RSO. Because the University's budget is strained, their funds are being allocated elsewhere, and UHS employees/MRU supervisors helped write this bill to ensure proper wording.
 - Selva moves to call the question. Maymon seconds.
