#### The forwarding of Candidates

**Candidate:** Skye Musson, 2L -University Defender

Opening: Prior service in Military, coming back to FSU Law and serve as an attorney in the Veterans Legal Clinic. Sought out a Veteran friendly University to study at, and landed at FSU.

#### Questions:

What are your goals as the university defender?

Cases that are being brought fits the constitution, and we make the fairest and most just judgements.

One thing in the FSU system that you could change?

Make the University and its students more knowledgeable about the constitution and the rules that guard and protect them

How will your service play into this position?

The wisdom and cool that are required to serve in the Military are almost completely in sync with what someone will need to adequately serve as the University Defender.

#### Voting:

Yay: Sims, Gavin, DiSalvo, Pinango, Maglaqui, Bradfield

Nay: None

Abstain: Singhal

**Candidate:** Alex Bergida, General Counsel

Opening: 3<sup>rd</sup> year law student, and went to school for undergrad at FSU

**Questions:**

Can you explain your role and responsibility?

The responsibility is to represent your client to the best of your ability

What experience do you have in the area?

Worked in Tallahassee and has been a part of cases involving crime within the Leon County community and got to try cases in the state attorney general's office.

**Closing:**

Came to school here and knows how to best represent this University as an alumnus. Looking forward to moving this University forward.

**Voting:**

Yay: Sims, Gavin, DiSalvo, Pinango, Maglaqui, Bradfield, Villegas

Nay: none

Abstain: Singhal

**Bill 49:**

Jonathan: I move to substitute Bill 49 with the updated version

Pinango: Second

Opening: Senator Reiter, " I wanted to make sure that everyone knew what this would look like and didn't want to find any disagreements later down the road. The came about after the 'ICE' incident occurred on our last ballot. We see this as a way to update and close the loophole for the whole process of getting onto the ballot. It expedites the process and makes everything consistent with what our statutes say."

Technical Non-Debateable: None

Pro:

Pinango: I think he has gone about this in the right way and has talked to the right sources to see improvement across campus

Maglaqui: I like seeing that we are able to hold ourselves accountable through closing all loopholes.

Con: None
