Interview for Undergraduate Seat 4: Evan Rapee

- Reiter: Why Senate?
  - Interested in government. Believes that SGA is a good opportunity to learn about
- Sidlenik: Are you financially certified?
  - No
- Singhal: What problems do you see on campus?
  - Wants to see more involvement from students; interested in forming a club for making friends with other out-of state students
- Pimentel: Have you had involvement with SGA before? How did you hear about SGA?
  - Not at FSU; homecoming
- Spear: Where were you involved in government?

Bill 89

- Spear: Can you walk us through the process step by step?
- Reiter:
  - What is an open ballot?
    - It only means that we cannot use a secret ballot.
  - Are you comfortable with their being unlimited on debate? If there is unlimited debate, it opens the door for a filibuster.
    - Because there is not a limit in Judiciary committee, there should not be a limit in Senate. Senators need enough time to make a decision because this is such a serious situation
  - Singhal: Amendment to change “his or her defense” to “their defense.” Sponsor finds it friendly
  - Singhal moves to call the question. Reiter seconds the motion
- Vote
