- **Bill 109:**

Fahey moves to let a non-committee member speak

Lavender seconds

Amending bill from \$1748 to 1211

Money will be used to fund CPE catalogue

Non Senator: a much better price was received for the project and the amendment will be to reduce the request from projects

Sponsor yields 2:10 seconds to closing

Lavender moves to let a non-committee member speak

Fahey seconds

Morales: SLAA is in full support of this bill

Fahey: Is the main priority the catalogue for this money?

Non Senator: Yes this is the number one priority of this money

Lavender: How many people have received a copy?

Non senator: we do not know the exact number of people, the plan is to roll out the catalogue slowly to maintain the flow of catalogue and ensure the reach of the catalogue is maximized

Rowan: Can you please explain more about the catalogue?

Non senator: the catalogue is a cultural guide of Tallahassee geared for students in a timely manner and acquaint people with the surrounding area

Schaler: How much is left in Senate Projects?

Non senator: unsure

Fray: What is the anticipated plan for rolling out the catalogue when you say the catalogue will be updated frequently. Will this

Non senator: plans to roll out first editions of the catalogue in December, this semester we have been preloading programming for the catalogue. Excited about really strong

April programming and other months so one rollout can be potentially done depending on expectations of continuing to preload catalogue for next year.
