- **Resolution 75 Sponsored by Senators Marcus, Hunter (P):**
 - Opening Statement:
 - Marcus: You all have seen something very similar, but we decided it needed to be revamped. Senators Hunter, Duchene, and I met to revamp the purpose of it. We redid a lot of the language and added some whereas clauses acknowledging that it does increase accessibility for visitors as well as changing wording to include the specific frustrations of students. Essentially it is a more well rounded and better written version of the resolution I presented before.
 - Duchene: We made the resolution a little more pointed and clear. We geared a lot of the language at parking that was taken away from students because we do recognize that some was taken away from faculty, and I'm going to be honest by saying that I don't mind that. It's more relevant to students and expresses the views of the student body better than the first version.

- Hunter: I think that you all should take a look at the past resolution versus this to see the changes. We are really proud of this, so if you have any questions, please let us know.
- Technical Non-Debatable Questions:
 - **Tsouroukdissian moves to enter round-table discussion; Nemeth seconds**
- Round-Table Discussion:
 - Tsouroukdissian: This a lot more well written than the first time it was presented to us, and I think it's ready for the floor.
 - **Hunter moves to call the question; Tsouroukdissian seconds**
- Closing Statement:
 - This is going to be my last piece of legislation going through Senate. It embodies a populism I have tried to take through my Senate experience with me. If there is one thing I have been asked throughout my FSU experience, it is how we can improve parking. Although most of that is out of the hands of Senate, we can start the conversation of why we took away parking from students and where this money is going to. Unfortunately the parking website is not the easiest in contacting people, but passing this resolution will show we are listening to students and are frustrated with the new system. I'm looking forward to hearing this on the floor, and thank you for being a great committee to present to!
- Vote:
 - Yes: 8 [Tsouroukdissian, Nemeth, Duchene, Hunter, Vanderlay, Moria, Noel, Preshia]
 - No: 0
 - Abstain: 0
- **RESOLUTION 70 DOES PASS**

Unfinished Business:

Closing Announcements:

- Hunter: BSU has a lot of exciting events for homecoming week. We also just elected a new Mr. and Mrs. 1968 and Mr. and Mrs. BSU. Look at the BSU Instagram to see what's coming up!
- Duchene: This is going to be my last public announcement about Newsies. This is the final weekend of Newsies, and I would love to see you. Thank you for being so supportive.
- Gabay: Thank you all for sticking with Jewish students throughout this process. Particularly to Senators Murray, Hunter, Nemeth, and Preshia for being there all 10 months. I really appreciate all of you for being here for us every week. Unfortunately I will not have as much of a reason to come to SLAA anymore, but I will still try to come to Senate every once in a while. Thank you everyone.
