Land Acknowledgement: The Student Government of Florida State University acknowledges that it is located on land that is the ancestral and traditional territory of the Apalachee Nation, the Miccosukee Tribe of Florida, the Muscogee Creek Nation, and the Seminole Tribe of Florida. We pay respect to their Elders past and present and extend that respect to their descendants and to all Indigenous people. We recognize this land remains scarred by the histories and ongoing legacies of settler- colonial violence, dispossession, and removal. In spite of all this, and with tremendous resilience, these Indigenous Nations have remained deeply connected to this territory, to their families, to their communities, and to their cultural ways of life. We recognize the ongoing relationships of care that these Indigenous Nations maintain with this land and extend our gratitude as we live and work as humble and respectful guests upon their territory. We encourage all to learn about and educate others on the contemporary work of the Indigenous Nations whose land we are on and to endeavor to support Indigenous sovereignty in all the ways that we can.

Committee Business:

- **Consent Resolution 25**

Chair Humberg- So the Korean Student Association is doing a mid autumn festival in conjunction with the Chinese Student Association and the Vietnamese Student Association. They had this last year, but 180 people showed up. They're anticipating about 120 this year, but they have not taken any RSVPs it is going to be out at the Wesley Foundation which is the cheapest option that they had. And it's like something at the like alumni foundation I think. And then they wanted money to buy catering for from lemongrass, which is a local business. And then like some decorations like paper lanterns and stuff like that. We decided to fund them because it was the only thing we had on the you know, schedule like the only ones who requested this week. Well one other person requested but we send them to organizational funds. To get money as a new artist. So instead of from us, so that's about it.

Round of Questioning: None

Roundtable Discussion:

Senator Waldie: I mean, I think from my understanding, this is basically a big event plan between three affiliates of ASU they have a lot of people expected to come. It seems like the kind of thing that we should go ahead and support. I mean, I think we're already funding them for their cheapest options anyway. So that's what I think
